Architectural Description

General Architectural Description:

The building at 605 W Main St is a two-story single-family house built in 1896, according to the historical marker associated with the property. The property was originally built for residential purposes, and its use remains unchanged. The primary exterior material is wood. The house displays features that are associated with the Folk Victorian style, a domestic architectural expression that relied on the use of applied architectural ornamentation on more traditional house forms. The building's distinctive modified L-plan form includes an irregular building footprint with a hipped roof and projecting gable roofs on the front and side. The building has a with a metal-covered roofing. The windows are double-hung with wood sashes. Door feature(s) include the following: transoms. Porch feature(s) include the following: jigsawn trim. A secondary back house is at the rear of the lot.
