SECTION 2

Architectural Description

General Architectural Description:

The building at 1104 E Marvin Ave is a three-story single-family house built about 1885, as estimated by field personnel based on its physical characteristics. The property was originally built for residential purposes, and its use remains unchanged. The primary exterior material is wood. With its elaborate exterior detailing and use of varying textures and materials, the building is indicative of the Queen Anne style, which was popular during the late nineteenth century. It presents an irregular plan. The building has a cross-gabled roof. The windows are double-hung with wood sashes. The single-door primary entrance has a wood doorway and frame. Door feature(s) include the following: transoms. Porch feature(s) include the following: chamfered columns, turned wood balustrade. Ancillary buildings on the property include a garage and back house.
