SECTION 2

Architectural Description

General Architectural Description:

The building at 607 N Rogers St is a two-story single-family house built about 1895, as estimated by field personnel based on its physical characteristics. The property was originally built for residential purposes, and its use remains unchanged. The primary exterior material is wood. The house displays features that are associated with the Folk Victorian style, a domestic architectural expression that relied on the use of applied architectural ornamentation on more traditional house forms. The building's distinctive modified L-plan form includes an irregular building footprint with a hipped roof and projecting gable roofs on the front and side. The windows are double-hung and have wood sashes and shutters. Door feature(s) include the following: transoms. Porch feature(s) include the following: plain wood posts, jigsawn trim.
